1. PETITIONS
Students may submit a petition to the Committee on Standing for an exemption from a rule, regulation or deadline of the Faculty as set out in Rules and Regulations section of the online Academic Calendar. Students are responsible for observing sessional dates and deadlines and for organizing their academic priorities accordingly. Only in cases of documented debilitating illness and/or legitimate conflict should a student submit a petition request. Not all requests are granted. Petitions based on travel, employment, or personal plans will not be considered.

2. COUNSELLING & INQUIRIES
It is recommended that students seek advice and information from their College Registrar’s Office regarding petition procedures. While the ultimate decision to submit a petition rests with the student, staff in the Registrar’s Office may on occasion discourage petitions that are unlikely to be granted due to insufficient grounds or lateness. All inquiries regarding a student’s petition in progress can be directed to the College Registrar’s Office.

3. FILING A PETITION
Aside from filling out the petition form, you a required to write a clear and concise statement (no more than 2 pages) of the reasons why compliance with the rule, regulation or deadline is/was not possible, or why special consideration is being requested. All petitions must be supported by appropriate documentation and submitted to your College Registrar’s Office when filing the petition. If documentation is not submitted within 3 weeks of initiation, the petition may not be accepted. Note that it may take at least a week before the Petitions Office receives a petition from your College. Incomplete or late petitions will not be forwarded to the Faculty. All information in petition requests is treated confidentially. Students are encouraged to disclose their full situation at the outset to avoid the need for late and more complicated appeals.

4. DOCUMENTATION
The Faculty recommends the University of Toronto Verification of Student Illness and Injury form in support of petitions that cite illness as the reason for the request. Any other document submitted must be original and provide the same information as the form. Practitioners that may use this form are: physicians, surgeons, nurse practitioners, dentists, psychologists, psychotherapists and social workers. If your documentation is for non-medical circumstances, this form should be used following these Guidelines the Faculty developed. Note: The Petitions Office regularly follows up with physicians’ offices to validate medical documentation. Full contact information is required on the form.

5. DEADLINES
Specific deadlines have been established for filing petitions and will not be waived.

1. Term Work - Petitions must be filed within 5 business days of the end the examination period. (For courses ending in December, the deadline is 5 business days after the December break.)
2. Examinations - Petitions must be filed within 5 business days of the end the examination period. (For December exams, the deadline is 5 business days after the December break.)
3. Late Withdrawal without Academic Penalty - For Fall/Winter Session courses: the following 15 November, and for Summer Session courses: the following 28/29 February.

6. FEES
There are no fees incurred for filing petition requests. If your petition to write a deferred examination is granted there is a fee of $70.00 for each deferred examination, to a maximum of $140.00 in a single exam session. For examinations missed due to specific religious observance or a reason related to needed accommodation under the Access for Ontarian with Disabilities Act (AODA), the fee is exempted. Please consult with your College Registrar’.

7. RESPONSE TIME
The Petitions Office can normally respond to most petitions within three (3) weeks of receiving the petition from the College Registrar’s Office. If incomplete/delayed documentation or an insufficient statement has been provided, the College Registrar staff will not forward a petition to the Faculty. Please contact the College Registrar’s Office with questions or concerns if a decision seems to be unduly delayed. Petition decisions can take several weeks to be issued if they are returned to the College for lack of information, or if a course instructor/department had to be consulted. Petitions that must go to the full Committee on Standing may take somewhat longer.

**PLEASE READ CAREFULLY:**
Before submitting a petition request, consult with your College Registrar’s Office and carefully read the instructions on the Office of the Faculty Registrar Arts & Science website, www.artsci.utoronto.ca/current/petitions.
