Re: G20 Summit - Update Campus Closure

Thank you for collecting names of individuals who may be in during the closure. For those of you still compiling your lists, please have them to me by noon Friday 18 June 2010 to allow enough time to set up access.

While many people wish to access campus during the closure to continue working, I ask that you discourage all but essential personnel from coming in. The anticipated large gathering at the Queen's Park protest site may need to be dispersed at various times. Should it be necessary to channel this group off the Queen's Park site, crowds will likely be directed west across University grounds. Your co-operation in limiting the number of staff, students and faculty that may need to be on campus during the closure is appreciated.

Additional communication will be provided in due course. Please contact Adrienne De Francesco if you have any questions (8.0904).
