The following is a list of candidates who were elected for the Arts & Science Council – Teaching Staff positions. The Constitution of the Arts and Science Council states that elected members (voting) of Council include: one member of the Teaching Staff from each department (not the Chair), one member of the Teaching Staff from each College (not the Principal), as well as one member of the Teaching Staff from each extra-departmental unit A (not the Director) in addition to elected undergraduate and graduate students, as well as administrative and technical staff. It is expected that the rest of the Teaching Staff positions will be filled later this summer.
