

Provost's Postdoctoral Fellowship Program, University of Toronto

Faculty of Arts & Science

Internal Deadline **March 15**

Research Office: research.artsci@utoronto.ca

The nomination package for each nominee should be submitted to the Arts & Science Research Office by the supervisor's Department/Unit Chair. Each nomination package should be scanned as a **single PDF file, containing all application materials in the order as listed below.**

Please use file naming convention of: **Last name, First name_PPFP2022**

- A&S Internal Application Form
- A support letter from the graduate unit/department Chair, as per the selection criteria a (maximum two pages). Be sure to clearly state in the letter, with which underrepresented group (Indigenous and/or Black) the nominee identifies;
- A nomination letter from the supervisor, as per selection criteria;
- Statement of research intent from the nominee (maximum two pages);
- Nominee's C.V. (no page restriction); and
- A short personal biography written by the nominee (150-words limit), which may be used on the SGS Postdoctoral Fellows website or other communications, should they be successfully selected as a Provost's Postdoctoral Fellow.

Reminder:

1. The full costs of the required \$5,000 in start-up funding must be covered by the supervisor and/or Department/Unit hosting the Postdoctoral Fellow.
2. A draft engagement letter is no longer required for the nomination package. The Fellowship may be used to fund both the PDF's gross salary and employer costs (10% Standard Benefit Rate, and \$50/month Green Shield contribution (Example 1)); or only the gross salary, in which case, the faculty/unit would be responsible for covering the employer costs above the annual \$70,000 salary (Example 2).

Example 1: Salary to Postdoc \$63,090.91 (\$63,090.91 + 10%SBR \$6,390.09 + Postdoc Levy \$50x12 = \$70,000.00)

Example 2: Salary to Postdoc \$70,000.00 (10%SBR \$7,000.00 + Postdoc Levy \$50x12 = \$7,600.00 to be paid by FRO or supervisor)
