

# Research Opportunities Program (ROP): Student Continuation Request

This form is for faculty members who wish to petition to work to with the same student in a second ROP course.

Faculty Supervisor Name <i>(First Name, Last Name)</i>	
Student Name <i>(as written on T-Card)</i>	
Student Number	
Department or Program	
Research Project Title <i>(and sub-project if applicable)</i>	
Previous Research Project Title <i>(and sub-project if applicable)</i>	
Previous Research Project term <i>(e.g. Fall/Winter 2022-23)</i>	

As a reminder:

- In order to participate in ROP, Faculty of Arts & Science students must have completed between **4.0 and 13.5 credits** by the end of the April exam period.
- Students can participate in a **maximum of two ROP courses** during their undergraduate studies.

Please describe the new research opportunity and how it differs from the previous ROP project the student completed under your research program. How does the project provide new learning opportunities for the student? What new skills will the student learn? What are the distinct learning goals? *(300 words max)*

Please email the completed form to [rop.artsci@utoronto.ca](mailto:rop.artsci@utoronto.ca).

The final decision for student continuation requests rests with the Vice-Dean, Undergraduate (or designate).

This section is for Vice-Dean, Undergraduate (or designate) approval.
